

A banner has been made available to the Federation from the Alzheimer's Association to be used by the Chapters or Federations at their fund raising events.

This banner is made of vinyl and is about 4 x 4 feet in size. It is nice to hang on a wall or drape the front of a table at your fund raising events. It does help attract attention to your fund raiser.

To reserve the banner you may either call or email Sandi Matson, South Dakota Alzheimer's Coordinator at: Telephone 605 393 1174. Email is:davsan9@midco.net

Also postage for shipping the banner from chapter to chapter is reimbursable...only a receipt for the postage is required. Submit receipt's for postage to Sandi Matson, SD Alzheimer's Coordinator. You will be advised where to ship the banner when you finished with it.
