

Rodeo and Mountains! What more do you need?

What are you doing **June 24-25, 2025**? Want to enjoy beautiful scenery and protect your earned pay and benefits at the same time?

Plan to attend the **California Federation's 2025 convention** at the Silver Legacy Resort Casino (<https://www.caesars.com/silver-legacy-reno>) in the beautiful city of Reno, Nevada. (Okay, it's Nevada, but that's right across the border!)

Not ready to commit? That's okay. What we need now is a theme for the convention! And we need a logo (picture, photograph, or drawing) for the tote bag and program! The best ideas will be awarded \$50 and a shout-out in the convention program.

To get you in the right frame of mind, this was the cover page of the 2023 CA Federation Program in San Luis Obispo:

Rodeo and mountains are what Reno offers. Pencil in June 24-25, 2025, for the California Federation 2025 Convention.

Submit your entries **by October 31, 2024**, to: narfe65@gmail.com.
