

California Federation Submission of Resolutions/Bylaws Amendments

The submittal, discussion and voting of resolutions and amendments to the Federation Bylaws are a part of the business of the upcoming Convention held on June 23-25, 2025. You are invited to submit a proposed resolution or bylaws amendment via the attached submittal form.

Resolutions and amendments may be initiated by any affiliated member or chapter of the Federation. An affiliated member is one who is a member of a chapter in good standing or a National Member who has paid a “per capita” dues assessment of \$2.00 at the convention. The submitter, or a representative designated by the submitter, must also be present at the convention to present the need and rationale for the bylaw amendment.

Submitted forms will be evaluated by the Bylaws/Resolutions Committee for recommendation for adoption or rejection. Those that meet submission requirements will be presented at the Federation Convention Annual Meeting in accordance with the Federation Bylaws. Please note that minor details of an administrative nature or wording changes belong in the Standing Rules and are not requested. Bylaws contain the basic rules of the organization, and amendments to these are the subject of this announcement.

The “Proposed Bylaw Amendment and Convention Resolution” form as well as the Federation Bylaws are attached. Please submit your completed form by email to the following:
