

25 June 2024

NARFE Chapter 91 Officers met with Friends of Corpus Christi Public Libraries Board members on Tuesday, June 25th, at La Retama Central Library. Purpose of the meeting was to present a check for \$326.00 to Friends Board members of donations collected by NARFE Chapter 91 members to help their continuing efforts to establish a "Children's Sensory Room" in all Corpus Christi Public Libraries. Joel Menking, President, presented a check to Friends Board President Susan Lawson. NARFE members toured the "Children's Sensory Room" after the presentation, and it was an amazing experience.

Attending the presentation were Joel Menking, President, Glenda Turner, First Vice President, Dora Benavides, Secretary, and Sharron Hines, NARFE member who initially presented the idea to raise funds to NARFE members in March. Thanks to all NARFE members who donated to this NARFE ways and means project during the months March-June.
