Other NARFE Membership Options

Lone Star State Chapter 2365

Perfect for current federal employees, or retirees who cannot or don't wish to attend a traditional NARFE chapter. No monthly meetings. Meets every other year at Texas Federation Biennial Conference site.

President: Severiano "Sam" Pantoja Jr.

<https://www.narfe.org/chapter2365>

Chapters provide the opportunity to meet others in the federal community and participate in NARFE at the local level.

National-only membership

Chapter membership is not required, and you may join as a National-only member.

For more information, contact:

Maria Preda, District 5 Representative

Austin and San Antonio District Representative:

To find other chapters, NARFE members should first log in to www.NARFE.org then in the Member Portal select "Find Local Chapter" on the right. This tool provides more search options plus more current and detailed contact information.

A public search is available at <https://www.narfe.org/chapters/> This has limited contact information and is not as current as the one on the Member Portal, but it does provide map-based output.
