President Harold Kehr called the meeting to order at Community Park in Idaho Falls at noon. We held a moment of silence and then recited the Pledge of Allegiance. We 9 members present.

No minutes or treasurers report due to the Secretary/Treasurer not present.

A new member, Mary D'Aversa, recently retired from the BLM was introduced and welcomed to the Chapter.

Follow up on last months discussion of Chapter Life members. 2 Chapter Life members contacted Harold concerning their Chapter status. Specifically. They wanted to pay their dues. After, talking with them, Harold sent them a bill for their anticipated life expectancy based on their age, and made them CHAPTER LIFE MEMBERS. Both have paid.

Harold reminded members that Open Season and recruiting will soon start (11/10-12/8) but little information is known since OPM is getting the information out on their website and to the insurance carriers. He has requested representatives and information from BSBS, Mailhandlers, Aetna, GEHA and United Healthcare.

Todd from Batteries Plus gave a presentation on batteries, the many uses of batteries and when to charge are various devices (only charge when you are down to 20% or less as this will extend the life of the battery). It was an informative discussion with particular interest on how to use and safely handle lithium batteries.

Beth Kauffmann gave us an overview of her recent cruises to Europe. It was a fun and entertaining discussion.
