Dearest NARFE Chapter #1465 West Shore,

It is my honor to present your chapter with a Citation for Distinguished Service for Alzheimer Donations for the collection period from 1 July 2024 through 30 June 2025. These certificates were provided by NARFE HQ and are signed by President William Shackelford and Ms. Olivia Williams, NARFE's Alzheimer's Chair, to honor Chapters or Members who have demonstrated extraordinary service to their Federation.

Your West Shore Chapter #1465 donated the most with a total of \$2,583.00 for the 2024-2025 Campaign Year.

Congratulations to you and your Chapter. Thank you all for your donations. And especially to those members who dug deep into their pockets in support of recognizing The Longest Day. There have been some promising studies leading to at least the treatment of Alzheimer's Disease. This can only be done with funding from folks just like you.

Also, THANK YOU for all your hard work and effort keeping your Chapter and PA Federation NARFE Strong!

Congratulations & Thank You!

Wanda Galbraith

Wanda Galbraith,
PA Federation Alzheimer Chair
