## EXPERIENCE OUR SMALL TOWN AMERICA IN HISTORIC NILES, CALIFORNIA JUST DOWN THE ROAD

It's a hidden gem in the San Francisco East Bay region: experience its authentic "old-tyme" main street. The town was founded in the 1850's and in the 1860's, Niles became a railroad juncture between Oakland and points south. And there's Charlie Chaplin. Many cowboy adventures **starring Charlie Chaplin** were filmed in Niles Canyon and along the main streets of Niles. Each year, Niles honors its film-making history with the Niles Essanay Silent Film Festival.

Today Fremont's Niles District is known for its historic shopping district, family character, and **calendar of great events**. Here's a partial list of 2025 events:

\*Niles Dog Show- July 19    \*Silent Film Festival-July 25-27    \*Hot August Car Show-August 10    \*Antique Faire and Flea Market (a huge event starting at 6 am)-August 31. From March to October the **Niles Canyon Railway** runs its popular steam and diesel trains on select weekends. Then in November and December, seats on the Train of Lights sell out quickly.
