

On December 3rd, 2022, Chapter 1494 Officers were installed by California Federation Treasurer Jerry Hall during our holiday luncheon at Bosco's Bones and Brews in Sunol. Officers sworn in are President Bill Vincent, 1st VP Don O'Donnell, 2nd VP Andrea Heckman, Treasurer Al Pittier, Secretary Joy Bryant, and Sunshine Maria Cruz. Our Service Officer Bill Daubenspeck was not in attendance. Photos were taken by Alzheimer's Chair Eloise Williams and Maria's daughter Julie.

We were all delighted that member Enise Tomlin and her daughter Kathy attended the luncheon. Enise turned 102 this year and continues to live in her home in Hayward but has given up driving so we haven't seen her at recent chapter meetings. She and Kathy have surely attended more Chapter holiday parties than anyone, perhaps followed by Al Pittier. We were disappointed that past president Clarence Tom did not join us this year, and of course we missed our immediate past president, Ellen Culver.

We were pleased to be joined by Judy, Valerie and Sophia of the San Mateo and San Jose Chapters.
