Step 2 - Select Title and Term

Chapter *

1067 METRO EAST

Selected Member *

Glasgow, Linda J.

Select Title (just start typing title) *

Select title has a drop-down menu; if the position shows, you can select it. If it does not show, just begin by putting in the title you want and it will pop up.

Term Start *

Term is important: enter the start date for this person in (a calendar will show up) and you select

Term End *

Likewise for the end date; when the system was initiated, they did not know the end date so it is something like 2999 for long term people. If your elections are every two years, you probably want to use the correct date. If they get reelected, you will need to go back and change that end date.

Recruiting Fee M130 Report

Use this M-130 report only from January - August (February - September closings). During the Recruiters Incentive Program from the month of September to December, chapter will not get the \$2.00 rebates per member as shown in the M-130 report. Instead, the rebate for each member being recruited (by the member) into the chapter will be credited to the recruiter.

M130 - Recruiting Fee Report - Chapters
Report uses dates from 7/1/2024 to 7/31/2024
Prepared: 9/6/2024

Total: _____

This is the report generated during the September to December timeframe (Annual Membership Drive) Since I pulled this report for July 2024, there is no data

**Chapter ##### (Annual dues \$7)
Comparison of Dues Payments**

Month	Amount from Financial Reports			Amount Deposited	Amount (Sum of Reports) - Deposit
	Current Month W-101	Previous Month A-220	Previous Month M-130		
January					\$0.00
February					\$0.00
March					\$0.00
April					\$0.00
May					\$0.00
June					\$0.00
July					\$0.00
August					\$0.00
September					\$0.00
October					\$0.00
November					\$0.00
December					\$0.00
					\$0.00

Note 1: Often the W101 amount for a member is a penny or two shy of the chapter annual dues because of rounding.

Note 2: Not all A-220 amounts are a multiple of \$7, as the chapter receives \$8 for each new member.

Note 3: The August payment was short \$7.00 because a member reported on the previous month's A220 Report cancelled their membership.

This is a report developed by the CAB so you can balance the funds sent to the chapter account each month. The amount deposited into the account is the sum of the current month W-101 plus the Previous month's A-220 plus the Previous month M-130 report. Completing a sheet such as above will assist your audit committee when the financial records are reviewed at the end of year.

All Current Federal Employees have been renamed Active Federal Employees (AE)

AE's who joined prior to 12/31/2007 are shown as dues category 1Y, 2Y or 3Y.

The member type is now displayed next to the dues category under MT.

Members shown as having been sent a second dues renewal notice and whose shown expiration date is in the future are NOT in arrears and need not be contacted.

The M-112 reports every transaction during the month. The M-112 reports the fact that a second dues renewal notice has been sent or a member has been dropped for non-renewal. If those members renew during the month, those developments are reported in the form of an updated expiration month on the same line. In the case of non-renewals, the member could also appear as reinstate.
