Since NARFE’s founding in 1921, the association’s mission has been to defend and advance the earned pay and benefits of America’s civil servants. Today, NARFE’s team of professional lobbyists continues to work tirelessly on behalf of the federal community. Supported by grassroots activists, NARFE is a leading voice in Washington and across the country.

Federal benefits and retirement plans are unique, complex and subject to change. NARFE provides both federal workers and retirees with the clear, reliable and accessible counsel they need to make critical decisions and gain confidence in a secure financial future.

NARFE’s 200,000 members live in every congressional district across the country and include both retired and current federal workers from all branches and levels of the federal government. These proud public servants form a grassroots network of activists who fight on behalf of the more than 5.2 million federal employees, retirees and their survivors that make up the federal community.

Federal workers dedicated their working lives for the betterment of our country, and in return they ask that Congress hold up their end of the bargain. NARFE is here to honor their service and ensure they have a secure future.
