

# HOW THEY VOTED: 116TH CONGRESS

NARFE publishes this voting scorecard of the 116th Congress (2019-2020) to ensure NARFE members are as informed as possible about the how the Representatives and Senators seeking reelection to Congress have represented the concerns of federal community. The vote descriptions below refer to the votes in the scorecard on pp. 35-44.

## KEY SENATE VOTES, 116TH CONGRESS

**2019 Senate Vote #26, February 14, 2019**

### **Consolidated Appropriations Act (H.J. Res 31)**

NARFE supported this bill because it prevented another partial government shutdown and provided full-year funding for departments and agencies that otherwise would have shut down for a second time in 2019. It also included language overriding the president's pay freeze, instead including a 1.9 percent average federal pay raise retroactive to the first pay period of 2019. The joint resolution passed the Senate by a vote of 83-16 and later became law.

**2019 Senate Vote #262, August 1, 2019**

### **Bipartisan Budget Act of 2019 (H.R. 3877)**

NARFE supported this legislation because it lifted sequestration caps on spending levels for fiscal years 2020 and 2021 without using reductions in federal pay or benefits as an offset. The measure also suspended the debt ceiling until mid-2021. The bill passed the Senate by a vote of 67-28 and later became law.

**2019 Senate Vote #305, September 25, 2019**

### **National Defense Authorization Act for Fiscal Year 2020 Resolution (S. Res. 333)**

NARFE supported this resolution, which was a non-binding motion to instruct Senate conferees to support providing twelve weeks of paid family leave to federal workers in S. 1790, the National Defense Authorization Act for Fiscal Year 2020. The resolution failed 47-48, but the provision was negotiated into the final compromise that became law.

**2019 Senate Vote #400, December 17, 2019**

### **National Defense Authorization Act for Fiscal Year 2020 Conference Agreement (S. 1790)**

NARFE supported this bill, a conference agreement between the House and Senate, which provided 12 weeks of paid parental leave for most federal employees for the birth, adoption or foster care placement of a child. It included NARFE-promoted language that prevented any OPM reorganization plan from advancing, at least until 180 days after a year-long study by the National Academy of Public Administration detailing the challenges facing OPM and recommending solutions. The bill also extended, through 2024, agency authority to rehire federal retirees on a part-time basis without an offset to their annuities and without obtaining a waiver from OPM. The bill passed the Senate by a vote of 86-8 and later became law.

**2020 Senate Vote #80, March 25, 2020**

### **CARES Act (H.R. 748)**

NARFE supported this legislation, which was a \$2.2 trillion economic stimulus package in response to the coronavirus pandemic that included numerous federal employee and retiree provisions. The bill suspended required minimum distributions on retirement accounts in 2020, created direct cash payments for eligible individuals, and provided additional funding to OPM for electronic retirement processing. The Senate replaced the language of H.R. 748 that passed the House in 2019 with this pandemic relief package. The new language, the CARES Act, was approved in the House by voice vote, passed the Senate by a vote of 96-0, and was signed into law by the president.

## KEY HOUSE VOTES, 116TH CONGRESS

**2019 House Vote #11, January 3, 2019**

### **Consolidated Appropriations Act (H.R. 21)**

NARFE supported this bill, a six-bill spending package passed by the House amidst what became the longest government shutdown in history. The bill would have funded nearly all of the departments and agencies shuttered by the partial shutdown through the remainder of the fiscal year. The bill also would have provided a 1.9 percent average pay raise for federal employees in 2019, rejecting a proposed pay freeze by the administration. The bill passed the House by a vote of 241-190.

**2019 House Vote #21, January 9, 2019**

### **Financial Services and General Government Appropriations Act, 2019 (H.R. 264)**

NARFE supported this bill because it included a 1.9 percent

average pay increase for federal employees in 2019, again rejecting the pay freeze implemented by the administration. It also would have provided funding for a handful of government agencies, ending a shutdown for those included. This spending bill was one of the six included in H.R. 21. H.R. 264 passed by a vote of 240-188.

**2019 House Vote #28, January 11, 2019**

### **Government Employee Fair Treatment Act of 2019 (S. 24)**

NARFE supported this legislation because it guaranteed furloughed federal employees retroactive pay due to the 2018-2019 government shutdown. It also guarantees employees retroactive pay after all future government shutdowns. Additionally, the bill stipulated that all employees be paid as soon as possible after a shutdown ends rather than waiting

for the next pay period. The bill passed the House by a vote of 411-7 and was later signed into law by the president. The Senate passed the bill by voice vote, i.e., without recording the support or opposition of individual senators.

#### **2019 House Vote #64, January 30, 2019**

##### **Federal Civilian Workforce Pay Raise Fairness Act of 2019 (H.R. 790)**

NARFE supported this bill because it would have provided a 2.6 percent average pay increase for federal employees in 2019, the same raise that members of the military received. It also would have annulled a pay freeze implemented by the administration. The bill passed by a vote of 259-161.

#### **2019 House Vote #87, February 14, 2019**

##### **Consolidated Appropriations Act (H.J. Res 31)**

NARFE supported this legislation because it prevented another partial government shutdown and provided full-year funding for departments and agencies that otherwise would have shut down for a second time in 2019. It also included language overriding the president's pay freeze and appropriating a 1.9 percent average federal pay raise retroactive to the first pay period of 2019. The joint resolution passed the House by a vote of 300-128 and later became law.

#### **2019 House Vote #424, June 26, 2019**

##### **Financial Services and General Government Appropriations Act, 2020 (H.R. 3351)**

NARFE supported this bill because it would have provided federal employees with an average 3.1 percent pay increase in 2020—a provision that later became law in December 2019 through passage of a consolidated appropriations package. This bill also would have blocked funding for the administration's Office of Personnel Management (OPM) reorganization plan, including the transfer of any agency functions to the Office of Management and Budget (OMB) or General Services Administration (GSA). Additionally, the bill included increased funding for OPM to offset the budget shortfall caused by transferring the National Background Investigations Bureau (NBIB) from OPM to the Department of Defense. The bill passed by a vote of 224-196.

#### **2019 House Vote #443, July 11, 2019**

##### **Amendment to the National Defense Authorization Act for Fiscal Year 2020 (H. Amdt. 513 to H.R. 2500)**

NARFE supported this amendment to the National Defense Authorization Act for Fiscal Year 2020 because it would have blocked the White House from transferring or merging any functions, responsibilities, programs, staff or resources, among other items, from OPM to GSA or OMB. The amendment passed by a vote of 247-182.

#### **2019 House Vote #493, July 17, 2019**

##### **Middle Class Health Benefits Tax Repeal Act of 2019 (H.R. 748)**

NARFE supported this legislation because it repealed the so-called "Cadillac Tax"—a 40 percent excise tax on high-cost employer-provided health insurance benefits to employees and retirees. The tax would have affected some Federal Employees Health Benefit (FEHB) program plans, leading to higher premiums or benefit cuts and increased cost-sharing (co-pays, coinsurance and deductibles) to avoid the tax. The bill passed 419-6. Final repeal of the tax would later become law through a consolidated appropriations package passed in December 2019.

#### **2019 House Vote #511, July 25, 2019**

##### **Bipartisan Budget Act of 2019 (H.R. 3877)**

NARFE supported this legislation because it lifted sequestration caps on spending levels for fiscal years 2020 and 2021 without using reductions in federal pay or benefits as an offset. The measure also suspended the debt ceiling until mid-2021. The bill passed by a vote of 284-149 and later became law.

#### **2019 House Vote #672, December 11, 2019**

##### **National Defense Authorization Act for Fiscal Year 2020 Conference Agreement (S. 1790)**

NARFE supported this bill, a conference agreement between the House and Senate, which provided 12 weeks of paid parental leave for most federal employees for the birth, adoption or foster care placement of a child. It included NARFE-promoted language that prevented any OPM reorganization plan from advancing, at least until 180 days after a year-long study by the National Academy of Public Administration detailing the challenges facing OPM and recommending solutions. The bill also extended, through 2024, agency authority to rehire federal retirees on a part-time basis without an offset to their annuities and without obtaining a waiver from OPM. The bill passed the House by a vote of 377-48 and later became law.

#### **2020 House Vote #37, February 5, 2020**

##### **USPS Fairness Act (H.R. 2382)**

NARFE supported this bill, which would eliminate the U.S. Postal Service's requirement to prefund its future retiree health benefits. The prefunding requirement adds billions of dollars in liabilities to the Postal Service's balance sheet, hindering investment and driving harmful cost-cutting initiatives. The bill passed by a vote of 309-106.

#### **2020 House Vote #109, May 15, 2020**

##### **Heroes Act (H.R. 6800)**

NARFE supported this legislation because it included numerous federal employee and retiree provisions for which NARFE advocated, such as waiver of co-pays under the FEHB program for COVID-19-related doctor's appointments, hazard pay for certain federal employees, and some financial relief for the Postal Service. The bill passed by a vote of 208-199.

#### **2020 House Vote #122, June 26, 2020**

##### **Washington, D.C. Admission Act (H.R. 51)**

NARFE supported this legislation, which would extend statehood to most of the territory of the current District of Columbia and give its residents, including hundreds of thousands of federal employees and retirees living in the district, full voting representation in the House and Senate. NARFE members voted on two occasions to include support of DC statehood in NARFE's Advocacy Program, which guides NARFE's legislative advocacy. The bill passed by a vote of 232-180.

#### **2020 House Vote #182, August 22, 2020**

##### **Delivering for America Act (H.R. 8015)**

NARFE supported this legislation, which would provide the U.S. Postal Service \$25 billion in emergency funding and bar it from making certain changes to its operations during the Covid-19 pandemic. The bill passed the House by a vote of 257-150.
