

HOW THEY VOTED:

115th Congress

SO THAT NARFE MEMBERS MAY BE AS INFORMED AS POSSIBLE about the representatives and senators seeking re-election to Congress, and how these legislators have represented the concerns of active and retired federal employees, NARFE publishes this Voting Scorecard of the 115th Congress (2017-2018). The vote descriptions below refer to the votes in the scorecard on pp. 31-40.

KEY HOUSE VOTES, 115TH CONGRESS

2017 House Vote #417, July 26, 2017

Abolishment of the Budget Analysis Division of the Congressional Budget Office (H.Amdt. 217 to H.R. 3219)

NARFE opposed this amendment to H.R. 3219 because it was considered pursuant to the Holman Rule, under which amendments can be offered during floor debate of an appropriations bill to do any of the following: reduce the number of employees at a federal agency; reduce the salaries of those employees, or even one particular employee; or, eliminate one particular federal position (or employee). In this case, the amendment would have abolished the nonpartisan Congressional Budget Office's (CBO) 89-employee budget analysis division as a political repercussion for providing expert forecasts that some members of Congress found inconvenient. The amendment was rejected by a vote of 116-309.

2017 House Vote #555, October 5, 2017

Republican Study Committee Fiscal Year 2018 Budget Resolution Substitute (H.Amdt. 455 to H.Con.Res. 71)

NARFE opposed this amendment, which would have replaced the House fiscal year 2018 budget with a substitute resolution proposed by the Republican Study Committee (RSC). The RSC budget reduced cost-of-living adjustments through a switch to the chained CPI; increased federal employees contributions toward their retirement without any benefit increase; based federal retirement benefits on the highest five years of salary; voucherized the Federal Employees Health Benefits (FEHB) Program; and eliminated the FERS Annuity Supplement. The RSC budget also endorsed the Holman Rule, which NARFE opposes, as explained above. The amendment was rejected by a vote of 139-281.

2017 House Vote #556, October 5, 2017

Democratic Caucus Fiscal Year 2018 Budget Resolution Substitute (H.Amdt. 456 to H.Con.Res. 71)

NARFE supported this substitute amendment, which would have replaced the House fiscal year 2018 budget with a substitute resolution proposed by Rep. John Yarmuth, D-KY. NARFE supported resolution because it included a policy statement that "Congress should not target Federal employees to achieve further reductions in the deficit as they as they have already contributed more than their fair share, that Federal workers should be compensated with pay and benefits at a level that enables the government to attract high quality people." The amendment was rejected by a vote of 156-268.

2017 House Vote #557, October 5, 2017

Fiscal Year 2018 Budget Resolution (H.Con.Res. 71)

NARFE opposed this budget resolution, which instructed the House Committee on Oversight and Government Reform (OGR) to find at least \$32 billion in savings over 10 years from mandatory spending under the committee's jurisdiction. As the only substantial mandatory spending under OGR's jurisdiction comes from federal retirement and health benefit programs, such instructions would target those programs. The House Budget Committee report on the resolution outlines specific policies to achieve its proposed savings, including: increasing retirement contributions for

current federal employees, limiting the rate of return on the Thrift Savings Plan's Government Securities fund, limiting the government's portion of Federal Employees Health Benefits premiums, ending the Federal Employees Retirement System (FERS) Annuity Supplement and increasing the postal employee share of FEHB contributions. The resolution was adopted by a vote of 219-206.

2018 House Vote #33, January 18, 2018 Continuing Appropriations (H.R. 195)

NARFE supported this bill, which would have extended fiscal year 2017 government funding levels through February 16, 2018, because passage would have avoided a government shutdown. The bill passed the House by a vote of 230-197.

2018 House Vote #44, January 22, 2018 Continuing Appropriations (H.R. 195)

NARFE supported this legislation, which reopened the government and extended fiscal year 2017 government funding levels through February 8, 2018, because it ended a three-day government shutdown and included back

pay for furloughed federal employees. The bill passed the House by a vote of 266-150.

2018 House Vote #118, March 20, 2018 Continuing the Holman Rule (H.Res. 787)

NARFE opposed this resolution, which provided rules for debate on two bills before the House, because it extended the Holman Rule through 2018. As explained earlier, amendments offered pursuant to the Holman rule threaten political repercussions for nonpartisan public servants simply for doing their job. The resolution was adopted by a vote of 225-183.

2018 House Vote #69, February 9, 2018 Bipartisan Budget Act of 2018 (H.R. 1892)

NARFE supported this legislation because it lifted sequestration caps on spending levels for fiscal years 2018 and 2019 without using reductions in federal pay or benefits as an offset. The legislation also extended fiscal year 2017 funding levels through March 23, 2018, to avoid another government shutdown. The bill passed by a vote of 240-186.

KEY SENATE VOTES, 115TH CONGRESS

2017 Senate Record Vote #233, October 19, 2017 Fiscal Year 2018 Budget Resolution Amendment (S.Amdt. 1296 to S. Amdt. 1116 to H.Con.Res. 71)

NARFE opposed this amendment because it instructed the Senate Committee on Homeland Security and Governmental Affairs (HSGAC) to find at least \$16.9 billion in savings during fiscal year 2018 from mandatory spending under the committee's jurisdiction. As a substantial amount of mandatory spending under HSGAC's jurisdiction comes from federal retirement and health benefit programs, such instructions would target those programs for cuts. The amendment was rejected by a vote of 4-94.

2017 Senate Record Vote #238, October 19, 2017 Fiscal Year 2018 Budget Resolution Amendment (S.Amdt. 1277 to S. Amdt. 1116 to H.Con.Res. 71)

NARFE opposed this amendment because it instructed the Senate Committee on Homeland Security and Governmental Affairs to find at least \$1 million in savings over 10 years from mandatory spending under the committee's jurisdiction. As a substantial amount of mandatory spending under HSGAC's jurisdiction comes from federal retirement and health benefit programs, such instructions would target those programs for cuts. The amendment was rejected by a vote of 33-66.

2018 Senate Record Vote #14, January 20, 2018 Cloture Vote on Continuing Appropriations (H.R. 195)

NARFE supported the motion to invoke cloture to allow a vote on H.R. 195, which would have extended fiscal year 2017 government funding levels through February 16, 2018, because passage of the bill would have avoided

a government shutdown. The motion to invoke cloture, which requires 60 votes, failed by a vote of 50-49, resulting in a three-day government shutdown.

2018 Senate Record Vote #17, January 22, 2018 Continuing Appropriations (H.R. 195)

NARFE supported this legislation, which reopened the government and extended fiscal year 2017 government funding levels through February 8, 2018, because it ended a three-day government shutdown and included back pay for furloughed federal employees. The bill passed the Senate by a vote of 81-18.

2018 Senate Record Vote #31, February 9, 2018 Bipartisan Budget Act of 2018 (H.R. 1892)

NARFE supported this legislation because it lifted sequestration caps on spending levels for fiscal years 2018 and 2019, without using reductions in federal pay or benefits as an offset. The legislation also extended fiscal year 2017 funding levels through March 23, 2018, to avoid another government shutdown. The bill passed by a vote of 71-28.

2018 Senate Record Vote #180, August 1, 2018 Appropriations Minibus (H.R. 6147)

NARFE supported this bill because it would increase pay rates for civilian federal employees by 1.4 percent across-the-board, and increase locality pay rates by an average of 0.5 percent, in January 2019. The pay increase was included in a package of four appropriations bills bundled into one "minibus," H.R. 6147. The bill passed by a vote of 92-6.
