Please read before completing reverse side!

- 1. Title:** In 10 words or less describe what this amendment proposes to DO, such as “Raise member dues,” “Change residence requirement for National Officers” and “Increase number of meetings of National Executive Board.”
- 2. Bylaw Article and Section affected:** It would be helpful to provide the descriptive words as well as the number. For example: Article III, The National Executive Board, Section 3, Meetings paragraph B.
- 3. State the specific change proposed:** This should be in the form of a motion to amend, indicate the words (or sections) to be inserted, struck out, or replaced (strike out and insert/substitute). For example: strike out “two (2)” and insert “three (3).”
- 4. Provide a comparison of what is in the bylaws now, with the adjustments proposed, and how it will look if adopted.** While section 3 of this form provides the words of the motion, section 4 helps the members understand what exactly happens if that motion is adopted.
- 5. Reason the change should be adopted:** Try to be as brief as the subject allows but fully support the proposed amendment.
- 6. Estimated cost:** Many changes to the bylaws result in administrative cost only; however, some can involve significant cost. The membership cannot evaluate the proposed amendment without having some estimate of the cost involved if the amendment is adopted. Refer to the National Treasurer for assistance.
- 7. Method of proposal:** The ones listed are the only six options provided in the bylaws for the initiation of a bylaw amendment.
