

Chapter 242 Participates in Virtual Alzheimer's Walk

On Saturday, November 14th, 2020 Team Captain Clara Schaefer and fellow teammate Bill Vander Heyden, along with their own Support Vehicle driven by Charles Paul, did their own Walk to End Alzheimer's on the grounds of The Meadows. Thus far, Team "Friends & Family NARFE242" has raised \$1,130, surpassing their goal of \$1,000. After the Walk, they were treated to a celebratory lunch at a nearby restaurant. Talk to either one of us about next year's Walk.
