Dear Ms. McHugh, and friends of NARFE Chapter 19,

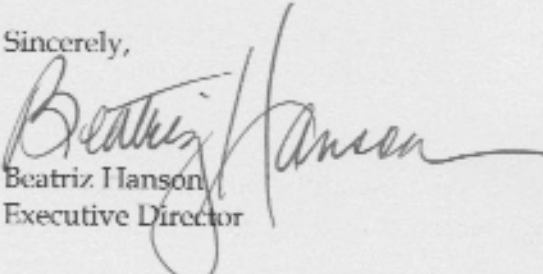

As the holidays approach, the Coastal Bend Food Bank makes sure that families have enough food to eat and the gift of a holiday meal. Many families continue to struggle with the limitations and losses the Pandemic has imposed on them; the holidays will be difficult without a doubt. It is hard to comprehend that we are still fighting the Coronavirus in December, that children are not all back in school yet, and that many businesses have closed their doors, and thus, people have lost their jobs. 2020 has indeed been a year to remember.

Thank you so much for your generous \$50.00 gift. Your donation will provide 200 meals to people in need. Your kindness and support make a difference and help us bring a ray of hope to many families for the holidays.

I know that the Coastal Bend Food Bank is now a better, safer, and more robust organization due to the COVID-19 challenge; The Pandemic has taught us some valuable lessons and has ignited our creativity. There is always a blessing that comes out of difficulties.

We could not have reached so many people in need without help such as yours. We thank you for your kindness and generosity. Your gift and your support are making a difference.

Sincerely,

  
Beatriz Hanson  
Executive Director
