We are an association of active and retired federal employees who are serving, or have served you, the American public. The Association is a non-partisan, non-profit organization dedicated to protecting and preserving our earned benefits. Our membership eligibility includes current, former, and retired federal employees, spouses, and survivor annuitants. We would appreciate your support of our Conference by becoming an Exhibitor at our Conference.

Membership eligibility includes current, former, and retired federal employees, spouses, and survivor annuitants. There are approximately 10,500 members in the Commonwealth of Virginia. Our members may be your potential clients or customers. We are interested in finances, health care, retirement planning, and other opportunities. Our members, many who are retired, are active in fishing, boating, travel, gardening, crafts, and many other activities.

Exhibitors at the Conference have access to conference attendees from Monday afternoon until Wednesday, mid-day. Exhibitors also receive a discounted rate if they purchase a full-page advertisement in our Conference Program Book.
