Halloween comes up soon and all of those little (and not so little) ghosts and goblins will be hitting the street looking for treats while the deciduous trees will be colorful reminders of the end of a lovely summer and the winter to come. Meanwhile, NARFE chapters are busy still doing Alzheimer's walks and preparing for the November Open Season which begins on November 11 and ends on December 9.

Don't forget to vote, if you haven't yet, for NARFE National officers.

Don't forget to volunteer when your federation or chapter asks for volunteers - volunteers are the lifeblood of NARFE and we can't risk burning out those officers who have stepped up historically by re-electing them for decades. Give them a break and help out.

Register for the [first in-person meeting, since the COVID pandemic, WS Federation annual meeting \(October 24\) and Region IX Symposium \(October 25-26\) in Tri-Cities](#). You can register for the conference and find the hotel phone for reservations on the federation website under Events/Region IX Symposium. Plan to attend for updates from NARFE National speakers, system training, and more.

The 2025 FEHB Open Season will be big this year with the new Postal healthcare benefit coming online in January. USPS personnel have to make important decisions about their healthcare, so, if you work for the post office, or know someone who does, tell them about our November 5th FEHB Health Fair with plan providers who will be happy to answer any questions. In the meantime, if you are a postal worker and haven't seen his yet, view the [21st Century Postal Worker](#) message exchange from 26 September - with links to the OPM Postal Service Health Benefits Premiums.

FEDHub: Administrators

The screenshot shows the FEDHub website's administrator interface. At the top left is the FEDHub logo, and at the top right are navigation links for 'Home' and 'Communities'. A blue banner with the text 'Webmasters UNITE!' and a 'Settings' button is visible. A central white panel contains several administrative sections: 'Administration' (with links for Settings, Additional HTML Content, Members, Reports, Dashboard, and Email Community Members), 'Moderation' (with a link for Moderation (0)), and 'Poll' (with a link for Manage Polls). To the right of these sections is a 'Status' area with the text 'Community admin and member.' and a blue 'Invite Others to Join' button. Below this is an 'Email Notifications' section with options for 'Daily Consolidated' and 'Weekly Consolidated'. The 'Daily Consolidated' option is currently selected and shows the email address 'wallersl@yahoo.com'. There is also a 'Discussion (Real Time)' section with the same email address listed. At the bottom of the panel is a 'Manage Notifications' link. The background of the website is a blue-tinted image of people smiling.
