

# How to log in to NARFE

## Why log in?

Your NARFE login gives you access to all the member-only content on narfe.org. This includes NARFE Magazine, webinars, and many other items. Chapter and Federation sites also require a login to view documents like newsletters that contain personal phone numbers and emails. Accessing the FEDHub community site requires a login. Lastly your login allows you to keep your own records with NARFE up to date. **You need a working email address in NARFE's records to log in.**

## Step by step login instructions

The process to get a password is exactly the same as recovering a lost password.

1. Visit [www.narfe.org](http://www.narfe.org)
2. Click or tap the  button at upper right.
3. Click or tap the left button (Member):

Log In

Member

Not a Member

4. If you know your username and password, enter it and click or tap: "Sign In".
5. Otherwise: select the radio button (little circle) "Click here to get help with username or password." You'll see the dialog with a box for your email address. Enter your email and click "Find My User Account". The system will send you an email with password reset instructions.

Click here to get help with Username and/or Password  
 Enter your email address below. If found in our records, we will email you your username and a link to reset your password.

Enter Email Address

XXXXXXXXXX@GMAIL.COM

Find My User Account

If your email is not found: [Contact Customer Service](#)

6. If the email that NARFE has for you doesn't go through (or NARFE doesn't have your email address!) select "Contact Customer Service" and fill out the form. NARFE will get back to you! Or, you can call NARFE Membership Services at 1-800-456-8410 -- Option 1
